

Wren Sandy Dolomite

Colour Code: WG237

Wren Sandy Dolomite | WG237

Mimicking travertine stone, Sandy Dolomite is a vein cut overlay, with a deep beige base. Complemented with linear, light cream, blush and honey brown veining, Sandy Dolomite brings a calm and flowing ambience to any space it is applied to.

Finish: Matt

Thickness: 0.7mm

Size: 1220 x 2440

Range: Wren Laminate
