

## Wren White Nebular

Colour Code: WG257

### Wren White Nebular | WG257

White Nebular is an opaque overlay with cloud-like whites and soft greys, creating delicate veining across a medium grey base. There are slight undertones of light brown adding depth to your space, while the lighter tones enhance a spacious feel.

**Finish:** Matt

**Thickness:** 0.7mm

**Size:** 1220 x 2440

**Range:** Wren Laminate
